

AmCham Tunisia Coaching and Skills development Workshops 2018

**Learning today
Succeeding tomorrow**

- *Emotional Intelligence*
- *Communications skills*
 - *Public speaking*
 - *Creative thinking*
 - *Presentation skills*
- *Basic Management skills*
- *Employee Empowerment*
- *Negotiation and persuasion skills*

*Building trust is at the heart of our distinctive approach, which develops confidence and authenticity in your staff , who can then engage with impact and charisma.
Our coaching and training modules are designed to be practical and immediately effective.
We work best with small teams to bring greater objectivity.
Our follow up ensures that learning is embedded and sustained.
We would love to help you build the strategy to tackle your challenge.
AmCham Tunisia offers a variety of tailored development programmes and consultancy services that can help you drive growth, empower change and execute your strategy.*
